

The Final Dialectic

**There's something happening here
But what it is ain't exactly clear
There's a man with a gun over there
Telling me I got to beware**

**I think it's time we stop
Children, what's that sound?
Everybody look - what's going down?**

**There's battle lines being drawn
Nobody's right if everybody's wrong
Young people speaking' their minds
Getting so much resistance from behind
Buffalo Springfield - "For What it's Worth"**

One of the buzz phrases of the Illuminati that most people are familiar with is “Order out of chaos”, and I am going to explain exactly how even now this diabolical plan is being implemented. In a nutshell the Hegelian dialectic is about emotionally manipulating people to choose sides; to pit one person against the other for the benefit of a third party, namely the New World Order.

As a society we have become completely swept up in this us vs. them 'dialectic thinking'. We are ruled by our emotions, unable to see the hidden hand that is guiding our every thought and reaction. The dialectic takes a thousand forms; black vs. white, Republican vs. Democrat and rich vs. poor are just a few examples. One of the basic truths about the dialectic is that one side is never totally right or wrong, the truth always exists somewhere in between.

Israel vs. Palestinians

And in that day will I make Jerusalem a burdensome stone for all people: all that burden themselves with it shall be cut in pieces, though all the people of the earth be gathered together against it.

Zechariah 12:3 (KJV) 

As of late the world is becoming embroiled in one of the oldest dialectics in history, that of Zionism vs. Islam and specifically the struggle over who controls the city of Jerusalem. Tragically, most Christians are completely caught up in this dialectic; mindlessly believing that every action performed by the state of Israel is approved by God, regardless of how brutal or inhumane it may be. That is not to suggest that the “Palestinian” has any moral advantage in this conflict. But that is how dialectic thinking works; it forces you to choose sides.

But what if you chose neither side? That is what I believe is being expressed in the above scripture. Like the song says "Nobody's right if everybody's wrong". What if we just decided not to burden ourselves with the question of who is the rightful owner of Jerusalem and left that matter to God? But if Jerusalem doesn't belong to the current state of Israel or the “Palestinians” then who does it belong to?

Behold, I will make them of the synagogue of Satan, which say they are Jews, and

are not, but do lie; behold, I will make them to come and worship before thy feet, and to know that I have loved thee.

Revelation 3:9 (KJV) 

Who are these people that say they are Jews but are lying? Could they be hiding amongst the true Jewish people, even seemingly leading them? How many of you are aware that the so called “Star of David” symbol on the Israeli flag is actually an ancient and powerful occult symbol used to this day to summon up demons?

Yes, God has indeed given that land to His people in an everlasting covenant, however we must not presume to know who are the real 'children of the promise' and who are the counterfeits.

Now we, brethren, as Isaac was, are the children of promise. But as then he that was born after the flesh persecuted him that was born after the Spirit, even so it is now. Nevertheless what saith the scripture? Cast out the bondwoman and her son: for the son of the bondwoman shall not be heir with the son of the freewoman. So then, brethren, we are not children of the bondwoman, but of the free.

Galatians 4:28-31 (KJV) 

The truth is? It's Complicated

This is where the story gets really interesting, because those who claim to be Palestinians are actually the 'children of the bondwoman'; Hagar and her son Ishmael. You see, a long long time ago God made a promise to Abraham to make of his seed a great people. But when his wife got too old to bear children Abraham got impatient and decided to help God out by sleeping with his maid Hagar. As you can expect God wasn't too happy with this, however he promised to multiply Ishmael's descendants as well.

And the angel of the LORD said unto her, Behold, thou art with child, and shalt bear a son, and shalt call his name Ishmael; because the LORD hath heard thy affliction. And he will be a wild man; his hand will be against every man, and every man's hand against him; and he shall dwell in the presence of all his brethren.

Genesis 16:11-12 (KJV) 

Now if we apply the above scripture passage to the Israel-Gaza situation the truth emerges. God did not promise that land to the sons of Ishmael but to the descendants of Isaac. However it does say that they will dwell (live) in the presence of their brethren. The truth of the matter is that what we see happening in that land is a result of thousands of years of mutual jealousy and hatred between the descendents of these two step brothers. We see this expressed in how Sarah treated Hagar:

And Sarah saw the son of Hagar the Egyptian, which she had born unto Abraham, mocking. Wherefore she said unto Abraham, Cast out this bondwoman and her son: for the son of this bondwoman shall not be heir with my son, even with Isaac. And the thing was very grievous in Abraham's sight because of his son. And God said unto Abraham, Let it not be grievous in thy sight because of the lad, and because of thy bondwoman; in all that Sarah hath said unto thee, hearken unto her voice; for in Isaac shall thy seed be called. And also of the son of the bondwoman will I make a nation, because he is thy seed.

Genesis 21:9-13 (KJV) 

Ishmael doesn't try to hide his disdain for his father's wife, but Sarah used covert means to get Abraham to abandon them. I think we can see the same even to this day being expressed in the way Israel and the

"Palestinians" interact. You should really read Genesis 16-21 if you want to get a proper understanding of the Israel-Gaza conflict. Indeed we can see that these sons of Ishmael are against all men embracing Islam and the path of terrorism. However what we are witnessing is an ancient family squabble that makes the Hatfields and McCoys look like chums. The lesson here is don't get involved in family squabbles.

In addition, when examined allegorically what we can also see expressed in Sarah's treatment of Hagar and Ishmael is that for all their claims of wanting peace Israel wouldn't mind seeing the sons of Ishmael wiped off the map just as much as they would do the same to Israel given the opportunity. Can you see now why Jerusalem is called a 'burdensome stone' to all the nations?

The Burdensome Stone

“The Third World War must be fomented by taking advantage of the differences caused by the “agentur” of the “Illuminati” between the political Zionists and the leaders of Islamic World. The war must be conducted in such a way that Islam (the Moslem Arabic World) and political Zionism (the State of Israel) mutually destroy each other. Meanwhile the other nations, once more divided on this issue will be constrained to fight to the point of complete physical, moral, spiritual and economical exhaustion...We shall unleash the Nihilists and the atheists, and we shall provoke a formidable social cataclysm which in all its horror will show clearly to the nations the effect of absolute atheism, origin of savagery and of the most bloody turmoil. Then everywhere, the citizens, obliged to defend themselves against the world minority of revolutionaries, will exterminate those destroyers of civilization, and the multitude, disillusioned with Christianity, whose deistic spirits will from that moment be without compass or direction, anxious for an ideal, but without knowing where to render its adoration, will receive the true light through the universal manifestation of the pure doctrine of Lucifer, brought finally out in the public view. This manifestation will result from the general reactionary movement which will follow the destruction of Christianity and atheism, both conquered and exterminated at the same time.”

Albert Pike - 1871

The coming chaos is going to be the full fury of all the dialectics unleashed against one another; race riots, political and class warfare. It will be a World War 3 that will make the first two to look like mere skirmishes. After the smoke has cleared what arises from the ashes of this Phoenix will be the New World Order.

This new order of the ages will be based on one final dialectic the definition of which will be simple; peace vs. war. You will either be part of the problem or part of the solution. There will be no middle ground, no romantic visions of freedom fighters. Dissent will not be tolerated, those who rebel in any way against the NWO will be dealt with swiftly and harshly, period.

You Christian will be blamed for the chaos that ensued. You are the problem, you are the very reason World War 3 was fought they will say. Either you will completely submit yourself to the New World Order in every area of your life or you will be labeled a war monger, a traitor hunted down like a dog and summarily executed.

“Imagine there's no countries, it isn't hard to do. Nothing to kill or die for, and no religion too. Imagine all the people, living life in peace.”

John Lennon - “Imagine”

Not that there will be many with the strength or will to resist them. The chaos will have broken the wills of almost everyone, people will be living in a perpetual state of “**Future Shock**” as Alvin Toffler branded it. All you have to do is mindlessly obey the NWO and all your needs will be met. But for true Christians this is not an option.

There will be no Comforter for Christians in a post rapture world. It was the restraining power of the Holy Spirit being removed from this world (The rapture) that unleashed the worldwide chaos in the first place. You won't be able to play the role of '007 secret Christian' any longer. You will either take the mark of the Beast or lose your head, it's that simple. Your failure to take a stand for Christ when the persecution was only trivial is what got you left behind.

Are you living worldly and still expecting Christ to save you? The Great Whore of the book of Revelation isn't merely the Catholic church, she represents all Christians who engage in spiritual adultery, including every denomination. Christ will reject the whorish bride. He demands a Bride without spot or blemish and deserves nothing less.

Most Christians will miss the rapture, will you? After the rapture event there will only be a small window of clarity before “**The Strong Delusion**” sets in. I pray you get right with God today, this very minute, so that you may be found worthy to escape all the things which shall happen during the tribulation (**Luke 21:36 KJV** ).
